

Testimonials

"The SHRM Health Care Benchmarking Report was very useful to our company in helping us evaluate our benefits program based on industry and national data. The report was focused and presented comprehensive information."

— Dave McKeon, HR Direct, Inc.

"We are in a time where HR is depended on to bridge the gap between the strategic plan and execution, and deliver results quickly. It was nice to be able to go to this source in SHRM and obtain relevant and timely information."

— Tresha Moreland, Fremont Rideout Health Group

"The SHRM Health Care Benchmarking Report was very useful to our company in helping us evaluate our benefits program based on industry and national data. The report was focused and presented comprehensive information."

— Gary Manning, City of Mesa Human Resources

"The [SHRM Customized Benchmarking] Report was most helpful in giving me some metric examples that I could begin to track internally and use for the company."

— Kelly Dolan, Maxons Restorations, Inc.

"SHRM made it very easy to purchase the research I needed in order to benchmark my company well. The issues benchmarked were the issues that the infrastructure oversight, finance, and benefits committee was asking me to look into."

— Betsy Davis, SPHR, Institute of Electrical and Electronics Engineers, Inc.
