THE VALUE OF RECERTIFICATION

As the world of work changes, so must the work of HR professionals.

Earning your SHRM certification credential proves your competence in the HR field and your dedication to the profession. Maintaining the credential shows that you are committed to self-improvement, continued growth and development, and HR excellence. With continuing education as its cornerstone, the SHRM recertification process supports your efforts to stay at the top of your game by maintaining your competence and relevance in the field, thereby maximizing the value of your SHRM-CP or SHRM-SCP credential.

THE SHRM BoCK CONNECTION

The SHRM Body of Competency and Knowledge® (SHRM BoCK®) is the foundation of the SHRM certification program. The SHRM BoCK describes the behavioral and technical competencies that HR professionals need for effective job performance.

SHRM certification credential-holders maintain their credential by engaging in professional development activities that relate to the behavioral competencies and HR knowledge areas identified in the SHRM BoCK. The incorporation of competencies into the SHRM BoCK greatly expands the range of activities that qualify for professional development credits (PDCs).

RECERTIFICATION REQUIREMENTS

AS A SHRM CREDENTIAL-HOLDER, YOU HAVE TWO OPTIONS FOR RECERTIFICATION:

» Option 1: Earn 60 professional development credits (PDCs) within your 3-year recertification cycle.

» Option 2: Retake the certification exam within the last year of your recertification cycle.

Whichever option you choose must be achieved by your recertification end date (last day of your birth month). Failure to recertify will result in the revocation of your SHRM-CP or SHRM-SCP credential.
RECERTIFYING WITH PROFESSIONAL DEVELOPMENT CREDITS (PDCs)

There are three categories from which SHRM-CP and SHRM-SCP credential-holders may earn PDCs for recertification: Advance Your Education, Advance Your Organization and Advance Your Profession. These categories align with the SHRM BoCK’s primary premise of supporting an HR professional’s efforts to develop a strategic mindset, drive successful business outcomes and advance the HR profession.

<th>STEP 3</th>
</tr>
</thead>
<tbody>
<tr>
<td>Log in to the Certification Portal at portal.shrm.org using your SHRM login e-mail address and password.</td>
<td>Click on “Add PDCs” and indicate whether you have an activity code or not. If you have a code, enter it in the space provided. If you do not have a code, select a PDC category and enter the activity information.</td>
<td>After you are one year into your cycle and have earned 60 PDCs or more, you will be invited to submit your completed recertification record.</td>
</tr>
</tbody>
</table>

Note: When entering PDCs, ensure that the activities you enter occurred between the beginning and end dates of your recertification cycle. An activity must be completed before it can be recorded. Entering activities into your portal throughout your cycle, rather than waiting until the end, is recommended. Contact SHRM Customer Experience at recertification@shrm.org if assistance is needed.

ADVANCE YOUR EDUCATION

No PDC maximum per 3-year recertification cycle.

SHRM recognizes the value of professional development through lifelong learning and supports formats that cater to individual learning needs and preferences. Activities that fall within this category are described below.

CONFERENCES, SEMINARS AND WORKSHOPS

You may earn recertification credit by attending conferences, seminars or workshops that relate to the behavioral competencies or HR knowledge domains outlined in the SHRM BoCK.

PDC Allocation

In cases when activity codes are not provided, the number of PDCs is calculated based on the actual time spent in session(s). Time is calculated in 15-minute increments. Each 15-minute increment = .25, or a quarter of 1 PDC.

Credit is not awarded for time spent eating meals or taking breaks. Professional development programs held during working lunches are acceptable.

COURSES TAKEN FOR DEGREE PROGRAMS

You may earn recertification credit by taking an undergraduate or graduate course from an accredited college or university. If the course is graded, you must earn a grade of C or better to receive recertification credit.

Qualifying content need not be related to an HR-specific knowledge domain but must align with the SHRM BoCK behavioral competencies.

PDC Allocation

The number of PDCs per course is calculated as follows:

<table>
<thead>
<tr>
<th>System Type</th>
<th>Credit Calculation</th>
</tr>
</thead>
<tbody>
<tr>
<td>Semester system</td>
<td>1 credit hour = 15 PDCs</td>

<tr>

<tr>

<td></td>
</tr>
<tr>
<td>non-credit-hour courses</td>
<td>1 credit hour = 10 PDCs (1 course maximum per recertification cycle)</td>
</tr>
</tbody>
</table>

NOTE: It is the responsibility of the credential-holder to determine the credit system the educational institution is using.
CONTINUING EDUCATION UNITS AND CONTINUING LEGAL EDUCATION
SHRM recognizes programs for which the International Association for Continuing Education and Training (IACET) has awarded continuing education units (CEUs). SHRM also recognizes continuing legal education (CLE) programs.

PDC Allocation
The number of PDCs per IACET CEU-awarded program is calculated as follows:

- 1 CEU = 10 PDCs

The number of PDCs per CLE program is calculated as follows:

- 1 CLE = 1 PDC

E-LEARNING, VIDEOCONFERENCES, WEBCASTS AND PODCASTS
Self-paced/self-directed/e-learning programs are programs that do not require real-time interaction or engagement with a live instructor or other participants.

PDC Allocation
The number of PDCs for self-paced learning activities is calculated based on the actual educational time spent in the activity. Time is calculated in 15-minute increments. Each 15-minute increment = .25, or a quarter of one hour.

SHRM-APPROVED BOOKS AND E-BOOKS
You may earn recertification credit by reading books that SHRM has identified as credit-worthy for their appropriate subject matter content and submitting a 500-to-750-word book report summarizing what you’ve learned. Qualifying books are listed at shrmstore.shrm.org.

PDC Allocation
PDC calculation for books and e-books is as follows:

- Completed book + summary = 3 PDCs per book

CHAPTER PROGRAMMING
As a SHRM chapter member, you may earn PDCs for your participation in chapter or state council activities and events. Dual membership in SHRM and a SHRM local chapter provides even more opportunities to learn and earn. Use the Chapter Locator on the SHRM website to find a chapter near you.
ADVANCE YOUR ORGANIZATION

SHRM recognizes the value of your activities in the workplace that contribute to the continued success of your organization and to your growth as an HR professional.

To be awarded credit, you must provide a brief write-up detailing the specifics of the project.

A template for your write-up is provided in the instructions section of the Advance Your Organization category in the Certification Portal.

PDC Allocation

COMPLETING THE RECERTIFICATION PROCESS

RECERTIFICATION CYCLE DATES
Your initial recertification cycle begins the day you pass the exam and ends 3 years later, on the last day of your birth month. If you fail to recertify by your end date, you are provided a 60-day grace period to complete the recertification process. Your certification will expire if your recertification is not completed by the end of your grace period.

Example:
- Candidate’s birth month is July
- Candidate takes and passes the exam on May 3, 2019
- Initial recertification cycle start date is May 3, 2019
- Cycle end date is July 31, 2022
- Cycle expiration date is September 30, 2022

If you have earned 60 or more PDCs, you may submit your completed recertification record one year into your 3-year recertification cycle. If you recertify early, your end date will not change.

New Recertification Cycle Start Date
Once your recertification is complete and has been approved, your new 3-year recertification cycle will begin the NEXT DAY. Your certification end date will remain the last day of your birth month.

Example:
- Candidate’s current recertification cycle starts May 3, 2019, and ends July 31, 2022
- Candidate recertifies on April 28, 2022
- Candidate’s NEW 3-year cycle starts April 29, 2022, and ends July 31, 2025

RECORDING AND TRACKING YOUR PDCs
To record and track your PDCs, please go to portal.shrm.org.

If you participate in SHRM-sponsored activities or events, the applicable PDCs will be auto-uploaded to your certification portal. Auto-uploaded activities will appear in as bold italicized items in the Advance Your Education and Advance Your Profession categories.

If you participate in activities or events that are not sponsored by SHRM (for example, those from third-party providers or SHRM affiliates, such as Chapters/State Councils and Education Partners), you will need to enter each activity into your account.
Carryover Credits

If you recertify with more than 60 credits, you are able to carry over up to 20 credits to your new cycle. Carryover credits will be auto-uploaded to the Advance Your Education category in your file once recertification is earned.

- Take the exam no earlier than 12 months prior to the end of your recertification cycle.
- Retest at your current level.
- Complete the exam application process.
- Pay the full examination fee.

If you do not pass the exam, your credential will be revoked, and you will need to reapply and test as a new candidate. Additionally, you will not be able to pursue recertification through PDCs if you do not pass the recertification exam.
VERIFICATION PROCESS

To protect the integrity of the SHRM certification program, SHRM conducts random verification reviews on a percentage of completed recertification records. If your record is selected for review, you will be required to verify the activities and PDCs entered in your record by providing documentation. With this in mind, we recommend you document your activities and retain your files for up to six months after the end of your recertification cycle. Your SHRM certification credential may be revoked if you are unable to comply with the request. Examples of acceptable documentation for each area are as follows:

LATE SUBMISSION

Completed recertification records are due three years from the date of certification on the last day of the credential-holder's birth month. Every effort should be made to recertify within that timeframe. However, should you fail to complete the recertification process by your recertification end date, you will have 60 days to do so before your credential expires. The 60-day grace period may be used to accumulate additional PDCs. A $50 nonrefundable late fee will be applied, in addition to the recertification submission fee, at the time of your submission. Failure to complete recertification requirements by the end of the 60-day grace period will result in the revocation of your credential.

HARDSHIP EXTENSION STATUS

SHRM recognizes that extenuating circumstances may prevent a credential-holder's attainment of 60 PDCs within the 3-year recertification cycle. In those instances, SHRM certification credential-holders may apply for a hardship extension status. To request hardship status, please complete the SHRM certification Recertification Hardship Extension Form, which can be found in the “My Resources” section of the portal. The request must be made at least 30 days before your recertification end date but no earlier than the final year of your recertification cycle. Examples of hardships include, but are not limited to, serious personal illness, serious illness of a family member, long-term unemployment and military deployment.

If your hardship request is approved, your certification may be extended for up to 12 months. During this time, you may not use the credential after your name until you complete your PDC requirements.

EXPIRED STATUS

SHRM certification credential-holders who do not complete recertification by the late submission date, comply with the verification process or complete the required PDCs within an approved hardship extension period will forfeit the right to hold the credential and will no longer be certified. To become certified again, you will be required to begin the process as a new candidate.

RETIRED STATUS

SHRM certification credential-holders who fully retire from the profession may apply for retired status. To apply for retired status, please complete and submit the SHRM certification Retired Status Form, which can be found in the “My Resources” section of the portal.

Credential-holders who hold a retired status must add the word “Retired” in parentheses after their earned SHRM-CP or SHRM-SCP designation. A retired-status credential-holder will not be required to recertify.

Note: Individuals pursuing part-time HR work (for example, consulting or teaching) are not eligible for this status.

YOUR SHRM-CP/SHRM-SCP COLLATERAL

In approximately four weeks after earning your recertification, our vendor partner, The Award Group, will contact you with purchase options for certificates and other collateral you may wish to order to display your credentials.
