

Shaping the Future of Work Together

In today's dynamic business environment, HR leaders need more than inspiration — they need insight, strategy, and practical tools. That's why SHRM, the trusted authority on all things work, has joined forces with Kogan Page, an award-winning global publisher of business books, to deliver thought leadership rooted in real-world application.

Whatever you're navigating in the workplace and at work, books published under the SHRM + Kogan Page imprint provide all levels of the workforce the tools and frameworks they need to lead with confidence and clarity.

With this new model, you can expect:

Credibility That Converts

Amplify your voice, build audience trust, and position yourself as a credible thought leader.

Enhanced Author Experience

Receive full editorial, marketing, and sales support from proposal to publication, ensuring your message resonates in today's evolving workplace.

Global Reach, Local Impact

Reach readers in over 90 countries, expanding your visibility and influence across borders.

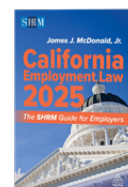

Expanded Distribution Channels

Sold through all major retail and academic outlets, with global sales support, targeted marketing, and the licensing of foreign language rights.

Together, we're publishing the ideas that move the workplace forward.
