## Program Overview
Grow your knowledge and comfort level of a wide range of compliance and legal issues in this enlightening two-day course. Through this interactive experience, you will learn how to effectively guide your organization through the employment laws that impact each phase of the employee lifecycle, from recruiting to separation. Use SHRM’s framework to analyze the impacts of employment legislation and compliance practices, such as hiring, employee wages, hours and benefits requirements, discrimination, harassment, and separation practices. You will learn the importance of using compliance to build and sustain a strong company culture and through a series of real-world legal and compliance scenarios, you will expand your ability to advise, manage, and better protect yourself, your employees, and your organization from potential risk.

## Why Attend
