A WARM WELCOME FROM SHRM CHRO JIM LINK

Dear future member,

You've overcome many obstacles throughout your career. Your hard work and dedication have made you the dynamic HR leader you are today. Your position is powerful, with each day presenting opportunities to drive your business forward. You've reached a stage in your career where you need the support of your fellow executives to elevate your HR leadership.

From one executive to another, I'm honored to invite you to join the SHRM Executive Network (EN). You'll join your fellow executives and gain access to tools for taking your leadership to the next level, informed by the latest data-backed research and insights. EN members can connect with other executives who have faced the same challenges, creating a source of support and camaraderie.

I'm confident that once you explore the many benefits of the EN, you'll see it as an invaluable, career-defining resource.

See you in the EN,

BENEFITS AT A GLANCE

A COMMUNITY OF TOP-TIER EXPERTISE

- **Executive-Level Learning Experiences***

Receive complimentary registration to the Executive Network Experience at SHRM's Annual Conference and the Visionaries Summit. These EN members-only events are dedicated to providing the latest industry information and facilitating connections with other HR executives. If you are unable to attend one of those, you may choose to attend another SHRM Learning Experience.

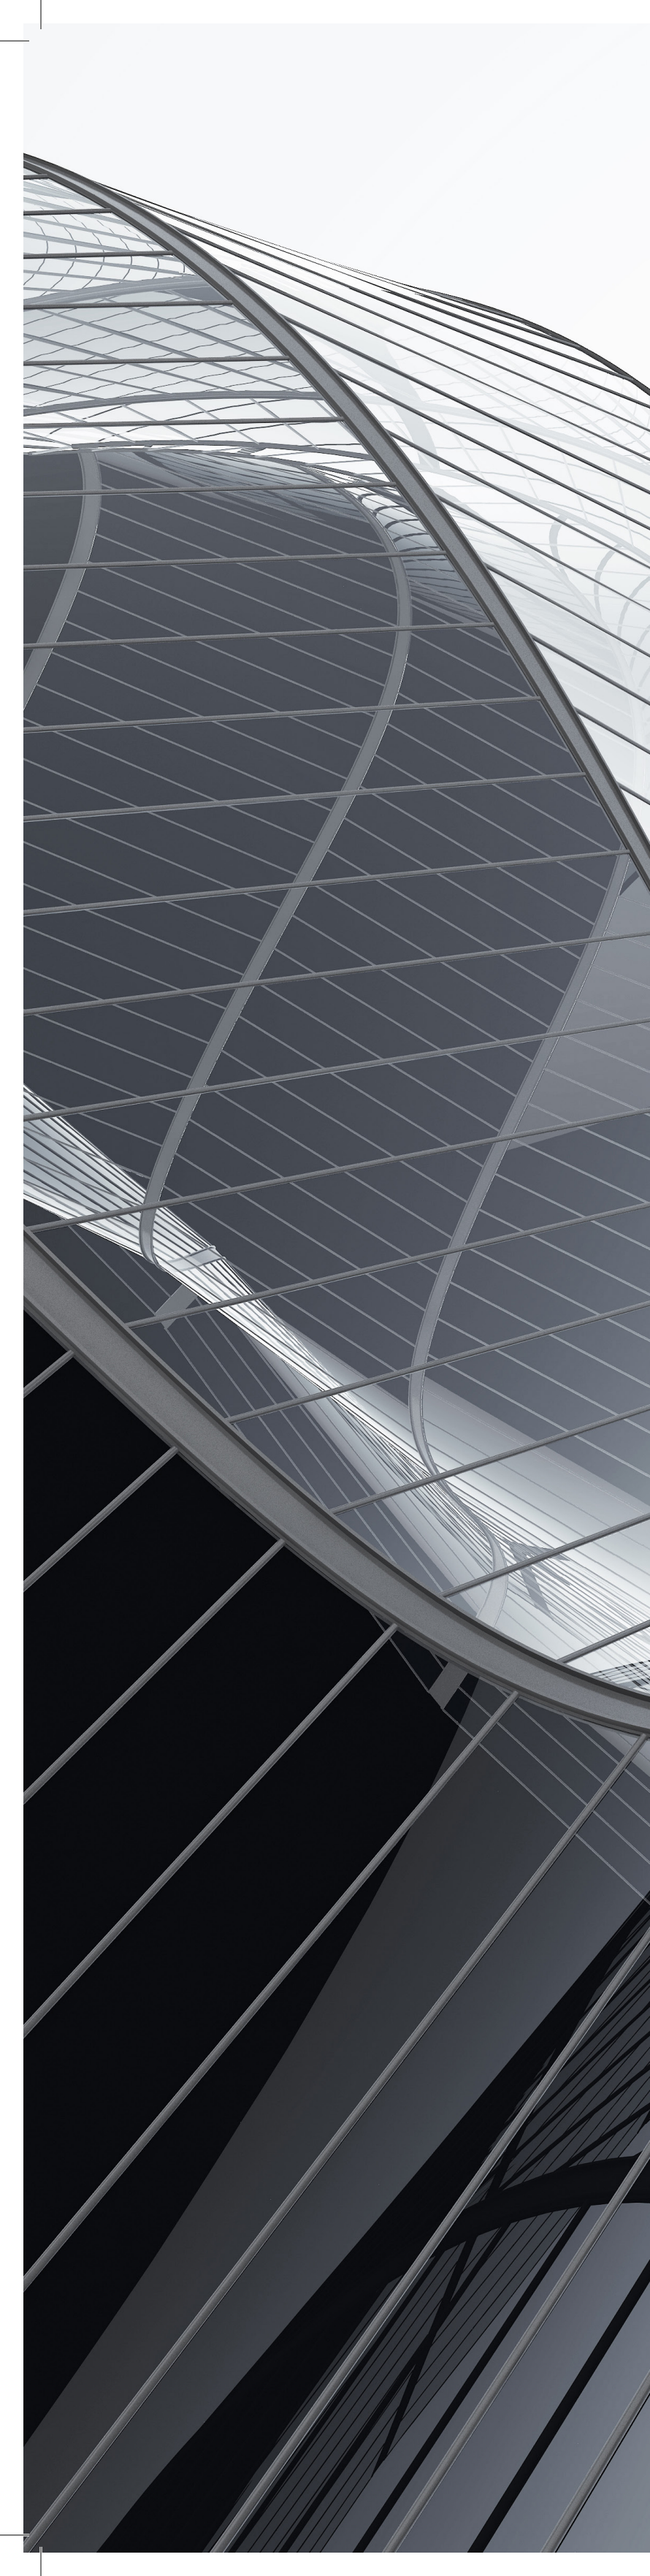

- **EN Connect**

Connect with other executives in an online portal created exclusively for EN members to share advice, experiences, and support.

- **EN:Assembly**

Engage in conversation with other leaders during private calls each month. These facilitator-led, purposefully small groups connect you with a knowledge cohort of executives who hold similar roles in similarly sized companies.

*EN in-person events are offered on a first-come, first-served basis.

BENEFITS AT A GLANCE

CULTIVATE A TRANSFORMATIVE WORKPLACE

- **EN:Insights Forum**

Join your peers for monthly virtual discussions to address pressing industry issues such as mental health, organizational resilience, talent acquisition, and retention.

- **HR Knowledge Center**
