

JOIN THE SHRM ACADEMIC ALIGNMENT PROGRAM

Prepare your HR students to meet the needs of today's challenging business landscape by aligning your programs with SHRM's recommended standards for degree-based coursework.

Based on extensive research, SHRM's HR curriculum guidelines help bridge the gap between academic excellence and business readiness. Help your students make a meaningful and viable contribution to an organization's success from day one.

The Value of Joining the SHRM Academic Alignment Program

- **Promote your partnership** with SHRM, the world's largest association of HR professionals.
- Receive **increased exposure** in the marketplace for your HR degree program(s).
- Provide an opportunity for your students to become a **SHRM Certified Professional (SHRM-CP)**.

SHRM's curriculum review service is **free!**

Let SHRM help you maximize your HR program's potential and, in turn, your students' employment opportunities. **Contact us today!**

Resources

Curriculum Development Tools

SHRM provides the **HR Curriculum Guidebook and Templates** to help you build, revise, and enhance your HR program(s).

Video Recording

University faculty members and administrators can request a video recording that explains the program and its requirements in detail.

Student Support

SHRM guides students through the SHRM certification process while helping them translate their education and early experiences into HR-relevant skills that employers value.

Scholarships

SHRM connects students to scholarship opportunities through the SHRM Foundation, as well as local SHRM professional chapters and state councils.
